

Crazy For the Eighties
(composed with help from Aberlady
PS)

Crazy for the Eighties
Crazy for the Eighties
Crazy for the Eighties

Leg Warmers, bright neon,
Cyndi says that girls wanna have fun
We're jumpin' in jumpsuits
Get your skates on the disco has begun
We're walkin' on sunshine.

CHORUS

Watching Boy George, Culture Club, MTV,
Back to the Future, phone home E.T
Bad Dad dancin' like Rick Astley
We're going crazy for the eighties.
We got big hair, shoulder pads, baggy shirts,
Girls look like boys, boys look like girls
Band Aid, Live Aid, feed the world
We're going crazy for the eighties.

Bon Jovi, Van Halen
Guns 'n' Roses are rockin' the eighties way
Blast spaceships in arcades
Playin' Pac-man, Donkey Kong every day
We're walkin' on sunshine

CHORUS

Everything's so exciting
Crazy hair and crazy clothes
Mad adventures like Indiana Jones

CHORUS

Watching Boy George, Culture Club, MTV,
Back to the Future, phone home E.T
Bad Dad dancin' like Rick Astley
We're going crazy for the eighties.
We got big hair, shoulder pads, baggy shirts,
Girls look like boys, boys look like girls
Band Aid, Live Aid, feed the world
We're going crazy for the eighties.
Crazy for the Eighties
Crazy for the Eighties
Crazy for the Eighties
