

Get on Your Bike

Why d'you drive a motor car?
You're not even going far
What a lazy bones you are,
So we say to you

Get on your bike
Get on your bike
Get on your bike
Get on your bike

Why do you drive all around?
Only 2 miles into town
All that traffic gets you down
So we say to you

Get on the bus
Get on the bus
Get on the bus
Get on the bus

Why d'you drive a motorbike?
Noisy engines aren't right
Smoke and fumes that we don't like
So we say to you

Get on the tram
Get on the tram
Get on the tram
Get on the tram

Why d'you drive a motor car?
You're not even going far
What a lazy bones you are,
So we say to you

Get on your bike
Get on your bike
Get on your bike
Get on your bike
