

I Wanna Be A Rockstar

(Composed with Rosewell Primary P6/7)

Sitting on my bed
Sounds in my head
Of a rockin' band
I can see the lights
Shining so bright
Now I understand
In my dreams it's plain to see,
This is what I'm born to be

CHORUS

I wanna be a rockstar
And I'll rock the world
In the loudest band there's ever been
A rockstar
And I'm playing guitar
In the greatest band you've ever seen
My axe is on fire
It's gonna take me higher
A rockstar
So come and be a rockstar with me

I can hear the crowd
Shouting so loud
As they scream my name
Now all the fans
Wanna touch my hand
That's the price of fame
In my dreams it's plain to see,
This is what I'm born to be

REPEAT CHORUS

(*shout*) Rock Star! Gonna rock the world! X 4

Rockstar!
And I'll rock the world
In the loudest band there's ever been
A rockstar
And I'm playing guitar
In the greatest band you've ever seen

CHORUS

Rockstar!
And I'll rock the world
In the loudest band there's ever been
A rockstar
And I'm playing guitar
In the greatest band you've ever seen
My axe is on fire
It's gonna take me higher
A rockstar
So come and be a rockstar with me
Come and be a rockstar with me
Come and be a rockstar with me (*shout*) ROCKSTAR!!
