

# I'm Not Takin' It Anymore (with Strathesk Primary)

It's over  
My scars are healing  
I'm tired of feeling  
Hurt and alone  
It's over  
Your words can't hurt me  
You can't subvert me  
You're on your own  
I'm getting stronger every day  
I'll look you in the eyes and say

## CHORUS

Stop! You're not gonna ruin me  
You're not gonna hurt me  
Now I feel invincible  
Stop! I want you to listen now  
You are not my problem now  
Cos I'm not takin' it anymore  
No I'm not takin it anymore.

No no, no no, no,  
I'm not takin' it  
No no, no no, no,  
I'm not takin' it

It's over  
The door is closing  
And I'm ignoring  
Your vicious words  
You're finished  
You've been so mean to me  
Now everyone can see  
How weak you are.  
I'm getting stronger every day  
I'll look you in the eyes and say

## REPEAT CHORUS

No no, no no, no,  
I'm not takin' it  
No no, no no, no,  
I'm not takin' it  
No no, no no, no,  
I'm not takin' it  
No no, no no, no,  
I'm not takin' it

## REPEAT CHORUS

It's over  
My scars are healing  
Now I'm not feeling  
Hurt and alone
