

It's All About the Beat

(Composed with Logan Primary
P6/7)

Speakers bouncing
Place is jumping
Everybody hears the song
Lights are flashing
People dancing
Everybody sings along
Till the night is gone....

CHORUS

It's all about the beat
Movin' your feet
Takin' it higher
Till we're on fire
It's all about the groove
Makin' you move
Havin' a good time,
Dancin's not a crime
It's all about the beat

Hear the sound
Shake the ground
Feeling that awesome bass
DJ groovin'
Crowd is movin'
Music right in your face
Till the night is gone....

CHORUS X 2

Speakers bouncing
Place is jumping
Lights are flashing
People dancing
Speakers bouncing
Place is jumping
Lights are flashing
People dancing

CHORUS X 2

It's all about the beat.
