

Mummy, I'm a Zombie!

(Composed with Stobhill Primary P4)

I woke up, I didn't feel right
Like something went wrong in the night,
I feel strange, like I've got no bones,
And now I can't speak, I just moan.
You've got to listen to this song
'Cause mum, there's something going on...

CHORUS

I want to eat brains and I'm falling apart
I ripped out my own heart
Mummy I'm a zombie!
I look a bit freaky and I smell really bad,
I think I'm going mad,
Mummy I'm a zombie!
My eyes are purple, my skin has gone green,
I'm the ugliest kid you've ever seen
I want to eat my friends, hope that I don't eat you
You'll be a zombie too,
Mummy I'm a zombie!

Off to school, it's football today
I kicked and my leg flew away
Lunch bell goes, I needed some food
The lunch ladies tasted dead good
You've got to listen to this song
'Cause mum, there's something going on...

REPEAT CHORUS

Brains, I want to eat brains (*repeat 3 more times*)

My eyes are purple, my skin has gone green,
I'm the ugliest kid you've ever seen
I want to eat my friends, hope that I don't eat you
You'll be a zombie too,
Mummy I'm a zombie!
Mummy I'm a zombie!
Mummy I'm a zombie!
Mummy I'm a zombie!
Mummy I'm a zombie!
