

Superhero!

(Composed with Logan Primary P5)

I'm so bored in school today
Want to go outside and play
Wish I could take off and fly away
Wanna go home and take a look
Inside my favourite comic book
Cos in my head
I'm a hero too

CHORUS

Batman, Superman, Spiderman,
Everybody loves them, even my Gran
Wonderwoman, Catwoman, Supergirl
They save the world
Captain America, Iron Man,
Flying through the air with Supergran
What am I to do?
I wanna be a Superhero too!

Nobody knows who I am
When I give a helping hand
Always try to do the best I can
I want to be big and strong
Fighting villains all day long
People sing my Superhero song

REPEAT CHORUS

I beat Sandman and the Joker,
Dr Octopus and Lex Luthor
I'm the best they've ever seen
But everything stops when Mum calls me in for tea

CHORUS

Batman, Superman, Spiderman,
Everybody loves them, even my Gran
Wonderwoman, Catwoman, Supergirl
They save the world
Captain America, Iron Man,
Flying through the air with Supergran
What am I to do?
I wanna be a Superhero
be a Superhero
be a Superhero too!

Be a Superhero too!
