

## **The Unsinkable Ship** **(The Titanic)**

(Composed with Dalmellington PS P5)

Built in Belfast,  
Paint still wet,  
She left Southampton pier.  
What a beauty!  
What a sight!  
They heard the people cheer

### CHORUS

They were all on board the unsinkable ship  
Sailing New York bound  
A ship of dreams, but nobody knew  
This was the final trip  
On board the unsinkable ship

On Titanic  
People dined  
And danced the night away  
So exciting  
Life was good  
Before the tragedy

### REPEAT CHORUS

From the lookout  
Shouts rang out  
An iceberg in their way  
Captain tried to  
Steer around  
But still it was too late

So few lifeboats  
On the ship  
The crew were not prepared  
In those waters  
Cold and deep  
So many perished there

### REPEAT CHORUS

On board the unsinkable ship
