

Woof! Woof!

(Composed with Roslin Primary P6B)

If you love your dog put your paws up in the air
and shout Woof! Woof!

Collies, labradors and those dogs with shaggy hair
shout Woof! Woof!

We know why a dog is the worlds best pet

Cos if you've got a dog ,it's your BFF

So come on everyone, put your paws up in the air and shout
Woof! Woof!

If you love your dog gotta wag your bushy tail
and shout

Woof! Woof!

Jumping in the air, floppy ears go everywhere
and shout Woof! Woof!

Chasing after cats, or a tennis ball

Fluffy, cute or ugly we love them all

So if you love your dog gotta wag your bushy tail
and shout Woof! Woof!

We know they're slobbery and stinky too,

We know you've got to pick up all their smelly poos

But don't forget if you want to impress

You can put your dog in a fancy dress

If you love your dog put your paws up in the air
and shout Woof! Woof!

Collies, labradors and those dogs with shaggy hair
shout Woof! Woof!

We know why a dog is the worlds best pet

Cos if you've got a dog ,it's your BFF
